FRANK WAKEFIELD

TRIBUTE TO BILL MONROE

#### COMMENTS

For fans of Bill Monroe, it doesn't get any better than this. Frank Wakefield has all these songs down pat. If you didn't know who was playing, it would be very easy to assume it was Bill Monroe. In addition to that, add in former "bluegrass boy" Tom Ewing, & two additional mandolins on "That's All Right & Panhandle Country". This has all the ingredients for "Record Event of the Year". Whats not to love about this project. I've listened to a number of tributes to Bill Monroe over the last few months but none of them can hold a candle to FRANK WAKEFIELD'S TRIBUTE. I've played the entire project & my request lines started ringing the moment this project started. This project is a classic, & can be played for many years in the future. It will never go out of style...

Thank you for sharing this fine project with us.

Cordially,

Al Shusterman
