

Inland Northwest Bluegrass Music Association

Jay Armsworthy & Eastern Tradition, *My Best Friend*

This is a great bluegrass collection in the style that traces its roots to the Baltimore and Washington, DC region, as well as in the Cincinnati and Dayton area. Jay Armsworthy and his three band members echo music performed in earlier decades by the Country Gentlemen and individuals

such as Cliff Waldron, Buzz Busby, Del McCoury and others. This is wonderful music. Do not—I repeat—do not pass up the chance to order a copy for yourself. You'll find it from the usual online sources or at pxrec.com.
