

RUSS CARSON

Last Chance

Patuxent Music

BY CHARLIE HALL

This is the debut solo release by Russ

Carson who is now playing banjo with Audie Blaylock and Redline. Russ has enlisted some great singers and musicians for an awesome project.

The vocals are shared

by Brandon Rickman, Jeff Parker, Marshall Wilborn and former bandmates Gold Heart. Michael Cleveland and Patrick McAvinue share fiddle chores, Jake Stargel is on guitar with Marshall Wilborn on bass. Brandon Rickman (lead vocal) and Jeff Parker (tenor vocal) are featured on Del McCoury's *I Feel The Blues Moving In*, The Osborne Brothers *One Tear* and Gordon Lightfoot's *Redwood Hill*. Analise, Jocelyn and Shelby Gold lend their amazing vocal harmonies to *Sake Of Love* and *Blue* and Marshall Wilborn sings a moving version of Ron Block's *You Can Take Your Time*. The rest of the tracks are instrumentals that feature Russ's traditional, driving banjo style. A great collection. **BMP**
